

Strategic Plan 2012 - 2015

St James's Church Piccadilly

This strategic plan was developed by St James's PCC during 2011/12 from the output from consultations with our community and others who care about St James's. At its core are four 'gospel values', and emanating from those, four strategic objectives. From these and the wealth of suggestions arising from questionnaires completed as part of the consultation process, we have identified a number of specific areas of focus and, within these, individual actions to be taken. Not every action can appear on this plan, and we want to be flexible to respond to unforeseen opportunities, but it will be a useful tool to frame the direction the community wants to follow over the next few years. With gospel values at the core of our communal life, this plan will be an evolving, organic guide for our work 2012-2015.
