

# Funerals & Memorials

St James's Church  
Piccadilly

**Love, Indiscriminate and Eternal**

We will support you in the preparation of the funeral or memorial of a loved one.

## Funerals & Memorials

We know arranging a funeral or memorial service can be an overwhelming time. Our experience means that we are able to walk alongside you, your family and friends to help you say goodbye in a way that feels right to you.

Our Christian faith tells us that 'love is stronger than death' and that there is more beyond this present time and earthly reality. We hold on to this, amid the sadness and sorrow, and stand with you as we shape the service together. Our aim is to listen and ensure that we are able to do as much as we can to accommodate your wishes for the day.

We want to get it right for you and we want the day to be memorable and special. We will take the time to be with you and offer pastoral care and support. St James's will be there to place the memories of your loved one within a dignified and beautiful service.

Each year we also hold a Requiem Eucharist for All Souls' Day in November. We invite relatives that have lost someone in the past year to attend and light a candle in their memory, and we read out the names of those that have died.

## Arrangements

We offer funeral and memorial services to anyone with a connection to St James's Church or the local area. Funeral services are often planned in the week or two following the death of a loved one.

Once a date has been agreed then a member of clergy will meet with the next of kin, and thereafter progress your plans as swiftly and smoothly as possible, in close communication with your chosen funeral directors.

Memorial services generally take place about a year after a funeral, though this varies widely.

Once a date has been agreed, a member of the clergy will meet with nominated family and friends at least once, and thereafter the clergy, Parish Administrator and our Director of Music will help you craft a fitting service to celebrate the life of your loved one.

**Please contact David our Parish Administrator on 020 7292 4860 or [administrator@sjp.org.uk](mailto:administrator@sjp.org.uk) to begin arrangements.**
