St James's Church Piccadilly Presentation to APCM

Sunday 14 May 2023

Keith Best PCC Secretary

A year of progress and encouraging development after the challenge and tragedy of the pandemic which augurs well for the future. You, St James's congregation are crucial in this.

A year in pictures

These are just some of the 2022-23 happenings - not in order of priority or importance - and not everything is here.... but will hopefully bring back some memories
